

GREEK ORTHODOX METROPOLIS OF DENVER

April 7, 2008

Protocol 08–10

The Reverend Clergy, and
The Esteemed Parish Councils
The Holy Metropolis of Denver

Beloved in the Lord,

I am writing to inform you that His All Holiness Ecumenical Patriarch Bartholomew has appointed me to the Holy and Sacred Synod of our Patriarchate for one year. My first attendance was last month. I am, therefore, expected to attend the synodical meetings each month, until February 2009 inclusive.

This obviously means that I have no choice but to postpone some of my pastoral visits to several of the parishes. However, I will find other dates to visit these parishes in the course of this year.

I ask for your understanding regarding this matter. As you would realize, I have no choice in this responsibility regarding our Patriarchate. I ask for your prayers concerning this assignment that I will represent our Metropolis in a worthy manner.

With Paternal Blessings,

✠ Metropolitan Isaiah of Denver
