

GREEK ORTHODOX METROPOLIS OF DENVER

December 18, 2008

Protocol 08–30

The Pious Clergy, and
The Faithful Presvyteras of
The Holy Metropolis of Denver

Beloved in the Lord,

I have been informed that the Metropolis Sisterhood of Presvyteras will hold a retreat for the wives of all priests and deacons of the Metropolis of Denver.

The Retreat will be held in Denver, at the Metropolis Center, from April 30 through May 2, 2009.

I ask that all pastors and parish councils do everything possible to support and facilitate the attendance at this retreat of the presvyteras.

These pious and dedicated women are too often overlooked when it comes to supporting them in their unique and difficult position within the parish. Yet, they are the ones who take care of their husbands, your priests, who in turn take care of all the members of the parish.

With Paternal Blessings,

✠ Metropolitan Isaiah of Denver
