January 2007

Dear Faithful Parishioners,

The widespread acceptance of *Advocates 1000* by our faithful Stewards throughout the Metropolis has been truly gratifying. With the establishment of the *Advocates 1000* Ministry in 2003, the Metropolis has experienced continued growth, and has functioned free from the financial stress associated with administering to the parishes in its 14 states. This Ministry also provides for the critically needed funds for the day to day operations of the Metropolis Center.

First and foremost, the expenses of the Metropolis are the primary goal of *Advocates 1000*. Because of the success of *Advocates 1000* in 2006, the Metropolis Council voted to allocate \$15,000 to the Metropolis of Denver Youth Ministries. With continued growth of *Advocates 1000*, our horizons can expand to include other vital Ministries of the Metropolis i.e. Religious Education, Communications, and Outreach.

It is our hope that you will personally support *Advocates 1000* by becoming a steward or by renewing your stewardship for 2007. *Advocates 1000* operates on a calendar year, January through December. The pledge amount remains fixed at \$1000 per year. Stewards of this program may make their payment in full, or if they prefer, by quarterly or monthly payments to fulfill their yearly pledge. For your convenience, an *Advocates 1000* Membership form is enclosed. Visa/MasterCard and now American Express may be used for payments. As well, we ask you to encourage others to participate in this essential program.

We are one Metropolis, blessed with strong leadership throughout our vast region; we are equally blessed with devoted and faithful Stewards who continue to glorify Christ's name through their love and their dedicated service. The future of our blessed Metropolis is ever so bright.

May our loving God continue to grant you and your loved ones His rich blessings throughout this new year and always.
